

Dorchester Super Sleuth Flag Competition

This year our summer competition is all about the summer of sport with the Commonwealth games, the Football World Cup and more. All around the town you will find A4 sized flags on cards in the windows of businesses these are countries in the games or FIFA World Cup teams or cricket playing Counties in England & Wales. Your mission is to track down all of these flags, ask for a sticker from the shop and then research where the flag comes from. **Stick it in the top part of the square corresponding to the number in this 'mission report'**. Once you have discovered the flag origin, write the name of the Country or County below it.

Those agents who complete their mission successfully will go into a prize draw. There will be **two lots of 1st, 2nd & 3rd prizes** (for 10yrs & under, one for 11-16yrs). **The prizes (£70, £40 & £20) will be vouchers to spend in Dorch shops but last year the shops topped up the prize fund too so it could be more!**

Return this entry to **DBID, 2nd floor, 49 High West Street** (above Temple Hill letting agents) no later than Monday the 16th of September. Make sure you write your name and address detail below – otherwise you won't be able to let you know if you win!

Name (Special Agent) _____

Address _____

_____ Email _____

Telephone _____ Age _____

Other helpful notes:

Some of the flags may be inside a shop but shops will be asked to make them quite visible either in a window or inside. If you get really stuck on a flag location our agent @DorchDude is on twitter, so if you know someone on twitter you can ask him for cryptic clues for flag locations. You can also go to our Facebook page (Dorchester, Thomas Hardy Country) and get daily help there too. Last year some people used social media to help each other with clues too which was great fun!

The Dorchester BID would like to thank Dorchester Town Council for the help they have given in developing and producing materials for this competition.

111	112	113	114	115

Tie Breaker Questions:-

- 1) Which countries are involved in both the FIFA World Cup and the Commonwealth Games?
- 2) Which county other than Dorset is not a first class cricket county?
- 3) What international sporting event did (2) host on 7th July 2014?
